

Dear CLADEA Fellows:

Nominations for CLADEA Fellows are now complete. There are three candidates to be considered in this 2021 election cycle. Please evaluate each according to the election criteria available at https://cladea.info/fellows_election/ . Also on that page are links to Martha Maxwell's initial proposal to create the Fellows, the three candidates' nomination materials, and the scorecard ballot to be used for this election.

In the past few years, the Council has updated some policies and procedures regarding Fellows election. The entire nominating and voting process is now paperless.

UPDATE:

In order to ensure a secret ballot, we would ask you **NOT** to email your Fellows 2021 election scorecards to me.

We have attached a new scorecard without the blank for your name. Please do not indicate your name on the scorecard.

1. Complete each scorecard (these are fillable Word documents; please complete them on your computer instead of printing them out).
2. Then, please use the link below to securely and anonymously upload your Word document scorecards for each candidate.

Deadline: April 15, 11:59pm EST (Eastern)

The collection is anonymized and personal information and contact association are not recorded.

You will soon receive information about the long-deferred but upcoming induction ceremony for our 2019 elected Fellows. You will also receive a request to provide information and a

photograph for the Council's honor page for Fellows. And of course you will receive communications after April 15 announcing results of this 2021 election process and information about the ceremony being planned to honor Fellows elected in 2021.

Thank you for your participation in the Fellows selection process. Please feel free to contact me if you have any questions, at karen.agee@uni.edu. **I do ask that you reply to this message to let me know that you have received these materials.**

Sincerely,

A handwritten signature in cursive script that reads "Karen S. Agee".
